

For service companies checking a bill against the contract

Amendment 2 is needed before the August price can be checked.

Clearway Cleaning · Pine Court Offices · invoice for August 1–31, 2026

Pine Court Offices · missing document

In the Pine Court Offices comparison, the August service schedule refers to pricing set in Amendment 2, which wasn't in the documents. The comparison leaves that amount unresolved rather than guessing.

Contract	Pine Court Offices cleaning agreement
Reviewed period	August 2026
Missing	Amendment 2
Left open	the price and scope for August

Source extract

Pine Court Offices cleaning agreement, August service schedule

August service schedule: "Pricing and scope for this period are subject to Amendment 2."

Your next step

Add Amendment 2 in your workspace and use the included rerun.

What this does not tell you

No amount is guessed for a document that is missing, and nothing here says the invoice is wrong.

About TermTie

Compares one contract and its amendments with one billing period's invoices, and shows each difference beside the clause and the math. **\$299 once**. See pricing at termtie.com/access/.
